Meeting Starts

11-24 Utility Brd. Mtg. C.C.
7:00p

11-27 HAPPY THANKSGIVING~~Office closed
27th &28th

Utility Dept~

Hydrants will continue to be flushed on WEDNESDAYS in certain areas. Please look for the “hydrant flushing signs” at the end of your streets as well as the regular schedule that was posted on your Utility bills!

Office News~

Please be aware that if your water bill has not been paid yet-it is now LATE! Shut off's will begin for those with past due balances after the 15th. of the month.

There was a form enclosed in the Nov. Thymes for those who do not have computer access. Please fill out your form & return it to

the Office for the next publication in February. Without this form we will not be sending out a newsletter.

If you have a guest or family member moving in with you- please have them stop in the Office and register. We are not needing to know your personal business however, we do need to know who is living here for many reasons!

Meet the Candidate Night~

A special thank you to all the volunteers that helped serve, set up, park cars and organize this event. We had a great turn out for the Candidates.

HAVE A HAPPY THANKSGIVING
