

CINNAMON LAKE BOAT STICKER PLACEMENT

Upon initial registration of a boat you will receive one permanent Tracking Number Sticker and two Yearly Usage Stickers.

All Stickers are to be placed in the middle of the watercraft, even if the watercraft is on shore, **no later than April 15th of each year.**

Tracking Numbers corresponding to the Tracking Number Sticker must be at least two (2) inches in height or larger and placed on both sides of the watercraft near the center of the boat and be clearly visible.

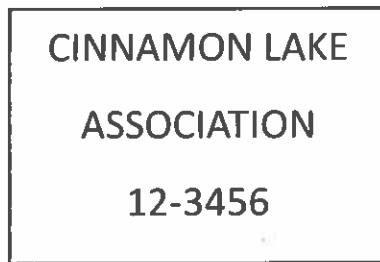

Yearly Usage Stickers must be placed on both sides of the watercraft and adjacent to the Tracking Numbers or Tracking Number Sticker.

The single **Tracking Number Sticker** is to be placed adjacent to the Yearly Usage Sticker on one side (it makes no difference which side).

The Yearly Usage Stickers, Tracking Number sticker and 2" tracking numbers must be visible on both sides of the watercraft.
