From the President: Greetings Members. I want to thank everyone who attended the annual meeting on the 22nd of June. Please join me in welcoming our three new members to the Cinnamon Lake Board of Directors. Congratulations to Scott Gerwig, Wendessa Kover and Bryan Tackett. We are excited to have you join the board. We are going to cancel the Coffee and Conversation for July since the first Sunday would be part of the holiday weekend. Mark your calendars for August 2nd at 2pm at the lodge. We will have a meeting to present the financial report and audit results. A friendly reminder to make sure you have your 2025 boat stickers on your boats. We will be checking boat registration soon. Have a safe and enjoyable summer.

The Events Committee sponsors many regular events for the community... check out Yoga on Monday evenings, Mug Club on Thursday mornings, and Euchre on the fourth Fridays. Lots of ways to meet your neighbors. Water Aerobics is every Sunday and Thursday evening at the pool. Adults Only Swim on Fridays. Check the calendar for details.

The Events Committee is hosting the annual Beach Party on Saturday, July 19th. The day begins with a yummy pancake breakfast served by our Fish and Lake Committee in the lodge. The lodge will remain open all day to give everyone a place to cool down and relax. Games and crafts for the kids in the afternoon. Food trucks all afternoon, too. The bands start playing at 1:00pm and continue until 10:00pm. Please bring your own chair and join us for as much or as little as you like that day.

For more information on any event, please e-mail events@cinnamon-lake.com or better yet, come to our committee planning meeting on Wednesday, July 2nd at 6:00pm in the community center.

Environmental news: We are again transitioning with the environmental committee. Please allow ample time for our volunteers to review environmental requests. We are witnessing members not following procedure or waiting until "crunch-time" to turn in the appropriate paperwork. Please help us, help you. Following the procedures helps.
