6pm—Lodge pavilion
- 26 Dough Pros & Looney Lemon
Food Truck 4-8pm

Hats off and a great big thank you to: to all the volunteers on the Events Committee who helped make the Beach Party a success. A full parking lot was the best indicator of the turnout. Also, a very big thank you to **Tom Herf** for his service on the Environmental Control Committee. And a very big thank you to **Juanita Lebo**, who has stepped down from the Board. Their work on behalf of the Cinnamon Lake community is very much appreciated. Thank you!!!

A little help please: The Environmental Control Committee, The Long Range Planning Committee and the Governance Committee are looking for volunteers. Volunteers have always been an important part of Cinnamon Lake. Opportunities to be active can be found not only in the Environmental Control, Long Range Planning and Governance committees, but also in The Garden and Landscape, Events and Fish & Lake Committees. Expertise is not necessary. But, if you've had experience with building codes, are a retired engineer or legal professional, or financial or business manager, volunteering is a great way to keep your skills sharp and help make Cinnamon Lake even better. If you just want to meet other members and play a small part in any of the activities, there is a place for you. You can contact the office or email: info@cinnamon-lake.com.

Carp Derby 2023: They're off and angling. Fish & Lake's first Carp Derby is underway and runs through Labor Day weekend. The Derby is part of an effort to reduce the overpopulation of carp and improve the water quality and fish habitat in our Lake. For more information, email: fish-lake@cinnamnon-lake.com. Prizes will be awarded at the end of the Derby. As of July 23, almost 800 pounds of carp have been caught.

Did you know: The Polk-Jackson-Perry Fire District uses Cinnamon Lake as a training base for its rescue boat. The Fire District provides Fire and EMS coverage to the Village of Polk, Jackson Township, as well as part of Perry Township. The approximate size of the coverage area is 47 square miles. Cinnamon Lake provides a unique challenge to the Fire District because of the lake. The Fire District bought and refurbished a boat just to be able to react to any situations that might arise on the lake. The boat also has sonar capabilities. The Fire District is working on creating an underwater map of our lake. Operating the boat, however, requires training. Occasionally you might see their red boat out in the lake with a crew practicing rescue techniques and acceleration. The boat is there in case we have an emergency and they are trained to react to those emergencies. Just as important, the boat is in the lake whenever we have cardboard boat races or any competition in the water in case there is an emergency.

From Neighborhood Watch: If you walk late at night wear light colored clothing, or even a safety vest. Be safe. Walkers, walk facing the traffic; bicyclists, ride with traffic, but be aware of cars coming from behind. REPORT ALL SUSPICIOUS ACTIVITY TO THE SHERIFF'S OFFICE (419-289-3911) or call 911 for emergencies. See *Something - Say Something!*

Reminder-Issue 1 voting at the Lodge on Aug. 8th.

Gate cards will be deactivated on or after Sept. 1st for non payment of July CLA Association bill.

Watercraft is being checked for proper stickers, please make sure you have all proper stickers in place!

Garage Sale participation is \$5.00, whether its 1 item or a garage/yard full.

Happy Selling!
