MERRY CHRISTMAS

Greetings members of Cinnamon Lake. I hope everyone had a nice Thanksgiving with family and friends. A big thank you to the maintenance crew and volunteers who worked on building the new reefs in the lake this fall. I am sure this will provide a good habitat for the many species of fish in our lake. Thank you also to Smitty for all of the hard work he does to maintain our damn. We had our 5 year damn inspection and passed with flying colors. Smitty has already finished some of the repairs they recommended. I also want to thank the office team for the after hours time they have spent distributing the new stickers to members. Keep an eye open for your letter with the next scheduled time to get your stickers. Please be patient as we work on getting the cards that will be available to members. We will make an announcement when those are ready to be picked up. We are starting the Coffee and Conversation meetings again beginning in December. Our first meeting will be on December 8th from 2:00 to 3:00 PM at the lodge. It will be an open forum for members to ask questions. I may need some help learning how to make coffee. The board has decided to not fill the vacant board seat at this time. The seat that is open is up for election in 2025 and we don't feel we could fill the position fast enough before the person would have to run for re-election. In 2025 we will have 3 board positions up for election at the June annual meeting. In closing I would like to wish everyone a very Happy Holidays.

**Events:** Your Events Committee is busy decorating the lodge this week and we can really use your help! Please join us if you can. Sunday afternoon from 1-4pm; Tuesday and Thursday from 4-8pm. We are also putting the final touches on Santa's Workshop! The kids will get to build wooden toys, decorate cookies, help heat press an ornament, make crafts, dance with elves, and, of course, visit Santa! We are still looking for elves. E-mail [events@cinnamon-lake.com](mailto:events@cinnamon-lake.com) to join the crew. Come to Events' monthly planning meeting on the 4th and Recreation's meeting on the 18th to learn more about any of our activities.
