Hats off and a great big thank you to: The whole team on the Events Committee for their hard work on the Trunk and Treat. A great turnout, a lot of pumpkin and face painting, wonderful costumes, an old-fashioned hay ride and weather that definitely was fall-like. A good time was had by everyone.

Just so you know: Fish & Lake received notification that the grant for which they had applied, in partnership with the Ashland Water and Soil Conservation District, was not chosen for funding. Fish & Lake sought the grant from H2Ohio, a part of the Ohio Department of Natural Resources, to help with weir improvement. Also, tied with the weir improvement was a downstream, in other words below the dam, creation of a wetlands that would help filter water that feeds the Muskingum watershed. Improving the weirs would have benefitted not just Cinnamon Lake but the watershed that Cinnamon Lake feeds. Fish & Lake was encouraged to re-submit for the grant next year. Early feedback indicates that if the downstream wetlands area were larger, the application may have been ranked higher. Discussions are underway on how we can improve the weirs. Recently members of Fish & Lake met with a marine construction company to discuss options, and costs, of removing silt from the lake. Early in December a meeting is scheduled with a lake management company to investigate ways of improving water quality. The October 3rd water quality test again showed readings at or below the threshold for most critical items, except for total phosphorous, which is a result of farm fertilizer.

Coffee and Conversation: The next monthly Coffee and Conversation is November 12th in the Lodge at 2 pm. Meet and Greet the Cinnamon Lake Committees will follow at 3 pm. Come meet the different Cinnamon Lake committees and find one that you can volunteer on.

Events Committee: Fall is in the air and the holidays are just around the corner. Come to the Lodge for the Holiday Craft Fair on Saturday, November 4th. A Potluck Bingo is Friday, November 10th. Committee Meet and Greet is Sunday, November 12th at 3pm. A Community Thanksgiving is set for Sunday, November 19th at the Lodge and is for everyone. Let's get together and appreciate our wonderful home. Events will supply the turkey, beverages and tableware. Bring a favorite holiday treat to share with neighbors.

Garden and Landscape: Garden and Landscaping Christmas Greens are coming. Garden & Landscape is planning on collecting holiday greens, bundling and decorating them with pine cones, and offering them to the community for a monetary donation. They are first come-first served. Pick up will be December 9th at the Lodge. For more info email: johnb1417@yahoo.com. We would like to send out a big THANK YOU for all who took the time and cared for the stop sign planter boxes this summer. They were beautifully decorated with colorful plants and decorations. We look forward to seeing your autumn décor.

From Neighborhood Watch: REPORT ALL SUSPICIOUS ACTIVITY TO THE SHERIFF'S OFFICE (419-289-3911) or call 911 for emergencies. See *Something - Say Something!*

Fish & Lake: Committee members are volunteering to open the compost pile for yard waste, see the calendar to the left and the website for all details. THANK YOU to all the volunteers who stepped up to make this happen for all the CLA members!

It's is never to early to think CHRISTMAS: CLA is bringing back the Christmas Lighting contest, start now to get your house decorated-great prizes awarded to the top three best in show. Judging will take place Dec. 8th,9th,10th and Dec. 15th,16th,17th. Make sure to enter by contacting the office with your address.

MERRY CHRISTMAS!
