Cinnamon Lake Association

Hats off and a great big thank you to: Dale Breining for donating a large American flag for the Lodge flagpole. Thank you, Dale!!

Carp Derby 2023: And the winners are: **Kade Kelso**-Junior Derby category winner and walked away with a Rod & Reel; **Team Deidrick**, lead by Korey, won the Largest Single Carp category with 56.5 inches for \$100; **Team Kelso**, with Scott as their leader, won the Largest Total Size category with 2,807.5 inches and for \$100.00; **Cary Pagan** walked away with the Total Number Caught category, landing 64 carp for \$150. Both Cary and Team Kelso donated their prize money back to Fish & Lake. Total numbers were impressive-128 caught with a total estimated weight of 2,031.5 pounds. Well done all!! And our lake thanks you!

Did you know: Cinnamon Lake Association's dues and assessment have not increased since 2007.

Coffee and Conversation: The next monthly Coffee and Conversation is October 8th in the Lodge at 2 pm. A presentation will be on the Cinnamon Lake Association Budget and the budget process. The November 12th Coffee and Conversation will have a Meet and Greet the Cinnamon Lake Committees following the meeting.

Events Committee: Bingo is back. Our next potluck bingo is Friday, October 6th at the Lodge. Fallfest plans were scaled back, but we will still celebrate the season with Trunk or Treat on Saturday, October 26th at the Lodge. There will be parades, games, a hayride, contests, and a pizza food truck!! Look for details online and in the mail houses. The Holiday Craft Fair is coming up on Saturday, November 4th at the Lodge. Reserve your spot by emailing events@cinnamon-lake.com.

Just so you know: Fish and Lake volunteers raise money to treat the lake for algae and to pay for a quarterly water testing program. This year the algaeicide cost was in excess of \$10,000. The water quality testing costs about \$1,000 per quarter. The latest test results showed a low reading for eColi. The threshold for recreational water is 235, at which point an advisory is issued. At a greater than 1,000 reading beaches must be close. The reading at our beach was 8 and at the center of the lake 4. Microcystin, a type of cyanotoxin, can multiply and create harmful algal blooms. Readings under 8 are considered acceptable; all readings in Cinnamon Lake were less than 0.240. The challenge is phosphorous, which enters the lake as a result of farm run-off. An acceptable reading is anything less than 0.05. Readings in Cinnamon Lake ranged from 0.08 to 0.10. Water quality is the reason that Fish & Lake has been working with Ashland County Soil and Water Conservation to get an ODNr grant to help improve water quality here and further downstream. Water quality test results are posted online and in the mail houses.

Help the Lake: Please do not rake leaves or grass into the lake. If you fertilize your lawn, try to keep the fertilizer about 4-5 feet from the shoreline.

From Neighborhood Watch: REPORT ALL SUSPICIOUS ACTIVITY TO THE SHERIFF'S OFFICE (419-289-3911) or call 911 for emergencies. *See Something - Say Something!*

Happy Fall! It is hard to believe that the season is almost over. Time to remove boats from the wet docks has arrived, maintenance will be removing the docks Oct. 16th. If you have rented a wet dock space, please make sure your boat is removed by Oct. 15th, if not the maintenance will take your boat to impound and you will be charged \$150.00. Lake draw down will start Nov. 1st. You may want to make sure your boat is out of the water before then. Campground and restrooms will be closing down as well. Next round of the roads bill comes out Oct. 1st due Oct. 31st. We are working on the RFID gate system. Watch for more details to come!
